Positions and Appointments

Duke Kunshan University 2026–Present
Assistant Professor of Behavioral Science, Division of Social Sciences

Education

Washington University in St. Louis 2026
Ph.D., Psychological & Brain Sciences, May 2026
Dissertation: “Age, income, and the discounting of delayed and probabilistic rewards:
The roles of financial resources and attribute salience.”
Co-advisors: Leonard Green and Joel Myerson

Washington University in St. Louis 2023
M.A., Psychological & Brain Sciences
Thesis: “Discounting of delayed and probabilistic outcomes across the adult lifespan.”
Graduate Certificate, Quantitative Data Analysis

Reed College 2021
B.A., Economics and Psychology

Awards and Honors

Sallie P. Asche Travel Award, Center for Vital Longevity. 2023, 2025
Tony Nevin Student Award, Society for the Quantitative Analyses of Behavior. 2022
Gerald M. Meier Award for Distinction in Economics, Reed College. 2021
Commendation for Excellence, Reed College. 2019–2021

Fellowships and Research Support

Faculty Start-up Fund, Duke Kunshan University. 2026
Pivot 314 Fellowship, Washington University in St. Louis. Professional development fellowship. 2025
University Fellowship, Washington University in St. Louis. Doctoral funding fellowship. 2021–2026
Student Summer Research Fellowship, Reed College. Undergraduate research fellowship. 2020
Opportunity Grants, Reed College. Undergraduate research fellowships. 2017, 2018

In Preparation

Wan, H. Age, income, and the discounting of rewards that are both delayed and probabilistic: The effects of financial and cognitive resources. *Manuscript in preparation.*

Wan, H., Myerson, J., & Green, L. Asymmetric conditioning in the discounting of delayed, probabilistic rewards: A test of three combination rules. *Manuscript in preparation.*

Wan, H., Myerson, J., & Green, L. Delay and probability discounting: From standard to more complex, multi-attribute choice options. *Book chapter in preparation.*

Presentations

Conference Talks

Wan, H., Myerson, J., & Green, L. (2022, May). *Comparison of the adjusting-amount procedure and the monetary choice questionnaire for measuring delay discounting.* 44th Annual Meeting of the Society for the Quantitative Analyses of Behavior, Boston, MA.

Hackenberg, T. D., Kirkman, C. F., **Wan, H.,** & Franceschini, C. (2019, September). *Behavioral economics of food and social reinforcement.* 10th International Meeting of the Association for Behavior Analysis International, Stockholm, Sweden.

Conference Posters

Wan, H., Green, L., & Myerson, J. (2025, May). *Brief assessments of delay discounting: Two-amount monetary choice and delayed losses questionnaires.* 51st Annual Convention of the Association for Behavior Analysis International, Washington, DC.

Wan, H., Green, L., Myerson, J., Strube, M., Hale, S., & Chen, D. (2025, February). *Age, income, and the discounting of delayed monetary losses.* 8th Dallas Aging and Cognition Conference, Dallas, TX.

Wan, H., Green, L., & Myerson, J. (2024, May). *Discounting delayed losses: Do different procedures and measures assess the same construct?* 50th Annual Convention of the Association for Behavior Analysis International, Philadelphia, PA.

Wan, H., Myerson, J., Green, L., & Strube, M. (2024, May). *Discounting of rewards that are both delayed and probabilistic: A comparison of models.* 46th Annual Meeting of the Society for the Quantitative Analyses of Behavior, Philadelphia, PA.

Wan, H., Green, L., & Myerson, J. (2023, May). *Changes in discounting of gains and losses across adulthood.* 49th Annual Convention of the Association for Behavior Analysis International, Denver, CO.

Wan, H., Schulingkamp, R., & Hackenberg, T. (2023, May). *Social familiarity and reinforcement value: A behavioral-economic analysis of demand for social interaction in rats.* 45th Annual Meeting of the Society for the Quantitative Analyses of Behavior, Denver, CO.

Wan, H., Green, L., Myerson, J., Strube, M., & Hale, S. (2023, February). *The effects of age and income on discounting of delayed rewards.* 7th Dallas Aging and Cognition Conference, Dallas, TX.

Cao, A., Tan, L., **Wan, H.,** & Hackenberg, T. D. (2022, May). *Own- and cross-price demand elasticity with specific and generalized conditioned reinforcers in a token economy with pigeons.* 44th Annual Meeting of the Society for the Quantitative Analyses of Behavior, Boston, MA.

Wan, H., Tan, L., & Hackenberg, T. D. (2021, May). *Economic analysis of pigeons' token production, exchange, and accumulation in a laboratory-based token economy*. 43rd Annual Meeting of the Society for the Quantitative Analyses of Behavior (virtual).

Wan, H., Kirkman, C. F., Franceschini, C., & Hackenberg, T. D. (2019, May). *Failure to find altruistic behavior in rats*. 45th Annual Convention of the Association for Behavior Analysis International, Chicago, IL.

University Talks and Panels

Wan, H. (2026, September). *Is AI making us stupid?* [Panel discussion]. University Dialogue Series, Duke Kunshan University, Kunshan, China.

Wan, H. (2023, April). *The effects of age and income on the discounting of delayed rewards*. Washington University in St. Louis, St. Louis, MO.

Wan, H. (2021, December). *Comparison of the monetary choice questionnaire and the adjusting-amount procedure for measuring delay discounting*. Washington University in St. Louis, St. Louis, MO.

Teaching Experience

Instructor, Duke Kunshan University	2026–2027
BEHAVSCI 101: Introduction to Behavioral Science (Fall 2026, Spring 2027)	
BEHAVSCI 202: Institutions, Groups, and Society (Fall 2026, Spring 2027)	
Graduate Teaching Assistant, Washington University in St. Louis	2025
PSYCH 5068: Hierarchical Linear Models (M. J. Strube)	
Lecturer, Washington University in St. Louis	2024
PSYCH 102: First-Year Opportunity — Contemporary Issues in Psychology	
Assistant to Instructor, Washington University in St. Louis	2022–2024
PSYCH 3890: Advanced Psychological Statistics (S. Cooper & J. Jackson)	
PSYCH 5068: Hierarchical Linear Models (M. J. Strube)	
PSYCH 361: Psychology of Learning (L. Green)	
Teaching Assistant, Reed College	2020–2021
ECON 201: Introduction to Economic Analysis (D. Hare)	
PSYCH 203/373: Learning & Comparative Psychology / Learning (T. Hackenberg)	

Research Mentoring

Mars, W. “Discounting of probabilistic losses across the adult lifespan.” Research project, Washington University in St. Louis.	2025
Chen, D. “Age, income, and the discounting of delayed monetary losses.” Research project, Washington University in St. Louis.	2025
Salazar, S. “From simple to complex: The predictive validity of reward discounting in financial and health domains.” Research project, Washington University in St. Louis.	2024
Rosenthal, D. “Do you (scarcity) mind(set)?: A subjective examination of scarcity theory.” Senior honors thesis, Washington University in St. Louis.	2023
Sheldon, M. “The relation between probability and delay discounting: What is the immediate probabilistic value of a delayed reward?” Honors thesis, Washington University in St. Louis.	2022

Academic and Professional Service

Ad Hoc Reviewer

Journal of the Experimental Analysis of Behavior
Behavioural Processes

Professional Service

Judge, 29th Graduate Student Research Symposium, Washington University in St. Louis.	2024
Volunteer, Society for the Quantitative Analyses of Behavior.	2023
Chair, Graduate Student Brown Bag Series, Department of Psychological & Brain Sciences, Washington University in St. Louis.	2022–2023

Industry Experience

Data Scientist & Software Engineer, Swipesum, St. Louis, MO.	2025
Quantitative Medicine Analyst, Critical Path Institute, Tucson, AZ.	2024
Legal & Fixed-Income Analyst, Shenzhen Stock Exchange, Shenzhen, China.	2019

Professional Development

Certificate in Innovative Curriculum Design and Pedagogy, Duke Kunshan University.	2026
Learning Innovation Fellowship (LIF) Program, Center for Teaching and Learning, Duke Kunshan University. Certificate of completion, August 2026.	2026
